Dear Sarasota Manatee Association for Riding Therapy,

On behalf of everyone at Sea of Strengths Academy, thank you so much for the Magic: One SMART Horse books and for allowing us to spend time with your horses and volunteers during our field trip. Our students enjoyed learning about Magic, Mr. K., and all of the other horses at SMART. It was a wonderful experience for everyone, which will never be forgotten.

Our students worked very hard and enjoyed working on their third quarter Literature project for SMART. Younger students were asked to either write a few paragraphs describing what they learned from reading Magic: One SMART Horse or to create a book jacket for the book. Older students were asked to write book reports based on what they learned from reading Magic: One SMART Horse. Students then presented their projects to their classmates. You will find these assignments enclosed.

Once again, we certainly appreciate the learning opportunity you gave to our students both inside and outside the classroom. Our students are still talking about how much fun they had visiting SMART. Thank you.

Kind regards,

Taylor J. Neighbors,  
Teacher, Sea of Strengths Academy
